About Aviation Strategies International (ASI)

ASI provides assessment, strategic advisory and competency development services in the field of civil aviation. ASI Clients comprise executive leadership groups of airports, airlines, air navigation service providers and civil aviation authorities.

The firm's mission is to accelerate its clients' performance by providing tailored, objective and empowering services, capitalizing on international best practices. ASI's main offices are located in Montreal, with regional representations in Beijing, Melbourne and Ottawa.

Competency Building: The ASI Institute

The ASI Institute (ASI-I) is the aviation management competency building division of ASI.

The ASI-I is a Full Member of the International Civil Aviation Organization (ICAO) TRAINAIR PLUS Programme.

EXPERTISE

- ✈ Air Cargo
- ✈ Airports
- ✈ Airlines
- ✈ Air Navigation Service Providers
- ✈ Civil Aviation Authorities
- ✈ Competency Building

CLIENTS

Airports, airlines, air navigation service providers, civil aviation authorities, governments, international organizations, international development banks, universities, private investment firms.

SERVICES

- ✈ Assessment Services: *Airport Check-Ups*
 - ✈ Strategic Advisory Services
- ✈ Competency Building: The ASI Institute

Assessment Services:

Airport Check-Ups

The *Airport Check-Up* involves a team of industry leading experts spending one work week on-site assessing the performance of your airport using a proprietary tool box of interviews and assessment of work area outputs, with the objective to improve performance.

Strategic Consulting:

ASI works hand in hand with its clients to find tailored and objective solutions based on best practices to accelerate performance.

Pierre Cou u, A.A.E., Ed.D.
President, ASI
